

# El verbo estar

## "ESTAR" - to be

We use the verb *estar* to talk about temporary states, locations or conditions.

1. **Estados temporales (Temporary States)** – describe emotions, someone's mood or physical condition
2. **Acciones (Actions)** – describe actions happening in the moment of speaking
3. **Locación (Location)** – describe where you, something or someone is

## Ejemplos (Examples):

Estoy feliz.

I am happy.

Julia está aprendiendo.

Julia is learning.

Leo está hablando.

Leo is speaking.

¿Dónde estás?

Where are you?

Yo estoy en casa.

I am at home.
